Code for Justice

DESIGN STATEMENT:

This activity/form will help your team choose a single idea to pursue during your **Code for Justice** hackathon. By drafting a design statement, you will be forming your concept into a more concrete document to be submitted.

DEVELOP ONE IDEA

We have created a website called _____**The Cardinal Group**_____ that addresses the issue of

(project name)

_____**Global Human Trafficking**_____

(social issue addressed)

This is a serious issue because **it is estimated that nearly 25 million people globally are affected and forced into the many different types of human trafficking. While the best-known form of human trafficking is for the purpose of sexual exploitation, hundreds of thousands of victims are trafficked for the purposes of unpaid servantship, immigration status, and debt bondage. The human trafficking industry earns global profits of roughly $150 billion a year for traffickers, $99 billion of which comes from commercial sexual exploitation.**

(why this issue matters)

The goal of this project is **to educate people on what the different types of human trafficking. Cardinal Group is trying bring awareness to the different ways that individuals can support and help rehabilitate victims that have fallen prey to the ways of human trafficking.**

(purpose)

NOTE: You must include your team's design statement when you submit your project.
